

“The Depth of a Daydream”

For Immediate Release:

(La Jolla, CA) La Playa Gallery is excited to present the surrealistic works of encaustic artist (beeswax), Tiffany Bociek, in a new solo exhibition entitled, “The Depth of a Daydream.”

Mark your calendar for the opening reception of this enchanting show, Friday, August 31, 2018, from 5-8 pm. Tiffany’s works are inspired by the child-like state of wonder. Too often in our busy lives we lose this carefree attitude. You are invited to reclaim the glow of innocence... in beeswax.

La Playa Gallery is located at 2226 Avenida De La Playa, La Jolla, CA, in the heart of La Jolla Shores. This exhibition will be on view through September 28th at the gallery, during business hours, Monday – Friday, 10:00 am - 4:00 pm. For more information, or an individual appointment please visit www.laplayagallery.com or call (858) 454-6903.
